## QUALIFICATIONS SUMMARY

- Attended a 3-month Coding Bootcamp (The Iron Yard - Durham), which not only taught me front-end web development skills, but also speaks to my work ethic and ability to learn and apply new knowledge quickly.
- Highly proficient in the fundamentals of front-end, UI web development, namely HTML5, CSS3 and JavaScript.
- Experience working with both relational and non-relational databases (PostgreSQL, MongoDB).
- Familiar with version control technology (Git).
- Strong communication skills, excellent in a team-oriented environment and highly organized.

## PROFESSIONAL EXPERIENCE

### The Iron Yard

Durham, NC

Junior Front-End Developer

May 2017 – Aug 2017

- The Iron Yard is a 12-week coding bootcamp specializing in highly focused, immersive learning.
- Gained a comprehensive understanding of HTML, CSS, JavaScript, Node, Express, PostgreSQL, API's and ReactJS
- Fandomoniu FanArt - Styled an entire shopping site as a part of a group project. Demonstrates my attention to smaller details, ability to work in a group and my substantial knowledge of CSS.
- Jukebox Hero - Built a music player app using the SoundCloud API. Demonstrates my ability to utilize API's to build a dynamic website while also building a user interface that's both creative and accessible.
- NFL Draft Express - Built an NFL Draft app/database using NodeJS, Express, PostgreSQL and Sequelize. Shows a firm grasp of both front-end and back-end concepts, along with a thorough understanding of the Node framework and how to use PostgreSQL and Sequelize to build a dynamic website.

### Hopewell/Prince George Chamber of Commerce

Hopewell, VA

Business Development

Jan 2018 - present

- Took time to meet with businesses to better understand their needs, their operations and their overall vision of their business
- Sent out mass marketing emails (Constant Contact) to inform members of upcoming chamber events, Prepared signage for events in conjunction with printing companies and designed certain materials for event marketing (posters, flyers, ect.)
- Maintained the Facebook page for the Chamber, which involved sharing events and two weekly posts
- Managed new and existing data of chamber members using the ChamberMaster database.
